A connecting experience!

Welcome to the Forest Adventure Park Herrenberg

Working as one

Our team

Whether you are climbing or just watching – our team will do everything to ensure that guests at the Forest Adventure Park Herrenberg are safe and enjoy their stay. All instructors of the Forest Adventure Park have received training in accordance with current and approved safety standards and will answer all your questions about climbing.

Should you come to a tricky part of the course and need help, our team will be there to always bring you safely back to the forest ground. If requested, our experienced outdoor instructors and outdoor education instructors can individually contribute to your group event. Whether you are looking for an incentive program, team building experience, school outing or a birthday party for your children – we will always find the perfect solution to suite your needs.

We are here for you!

Perfectly planned

Our courses

From the beginning, we planned and built the Forest Adventure Park Herrenberg with a focus on environmentally compatible construction and a tree-friendly design. As a result, we've created an ecologically sound and thrilling course where visitors can look upon the Schönbuch with a totally different perspective – from 13 to 40 feet above the ground.

Sixty-three stations offer lots of activities which appeal to climbers and visitors of all ages irrespective of their individual physical fitness. The main attractions of our park, the zip-line and the PowerFan, which is a freefall from a height of 40 feet, are both breathtaking and lots of fun. In addition, we offer a separate area for team building activities with both high-course and low-course elements.

It's all here

Our services

Individuals and families

Feel free to come alone, with friends, or with your family – any way you chose, after a short safety briefing you can explore the forest for up to 3 hours. If your energy level runs low, you can also have a quick bite at our kiosk.

Groups, school classes and associations

Want a climbing adventure with a group? No problem. With an advance reservation, we can get you on the trees in a flash. We're also happy to arrange a forest adventure day for you with climbing, outdoor activities and good food. Please contact us for more information.

Companies, teams and experiential education

Are you looking for a special event for your company? Would like to develop the teamwork skills of your group in a well-thought out program? We will help you. Our experienced outdoor education instructors will develop a custom-tailored training course with you in order to ensure you get the most out of your visit.
